4. For participation in the bidding/auction, the bidder will have to register himself/ herself on the website, and obtain his the Unique Acknowledgement Number (UAN).

5. The registration fee for e-auction will be Rs.1000. The registration fee and the reserve price of the number will be paid online for all the categories. The amount of registration fee i.e. Rs. 1000 will be non refundable. After success of payment registration will be complete.

6. The citizen has provision to choose online the desired registration mark of choice. If the application shows availability of desired registration mark of choice in the RTO series, then applicant can select this registration mark of choice and deposit Rs. 1000/- and the reserve price of the number online to reserve the number for e-auction. Once, the applicant successfully makes payment of Rs. 1000/- and the reserve price of the number, the desired registration mark of choice will be blocked from RTO series for the e-auction period. If the number is not allotted to anybody the same will be return back to RTO series.

7. Payment gateway with multi banking options is available for online payment of registration charges.

8. One person can bid for a maximum of 10 vehicle Registration mark of choice per application per Unique Acknowledge Number (UAN) of registration, but will be allocated only 1 Registration mark of choice for each UAN.

9. One person or entity may be desirous of obtaining more than one Registration mark of choice for more than one vehicle. This is permitted. However, for obtaining registration mark of choice for more than one vehicle the person/entity will have to register separately for each vehicle and obtain Unique Acknowledgement Numbers (UAN). For example if one person/entity has Four vehicles and wants a Registration mark of choice for each of the Four vehicles then the person / entity will have to register on the website separately for each vehicle and obtain four different Unique Acknowledge Number(UAN). Thereafter the person/entity can participate in the bidding process separately for each UAN.

10. The registration window will be open for 3 days from the start of e-auction, and bidding will take place for the subsequent 2 days, from the date of publishing of the Registration mark of choice for auction on the online e-auction platform. This facility will be available on Gazetted holidays also. 
Timing for online registration and bidding are as under:

| Registration: 6:00 AM (day 1) to 12:00 midnight (day 3). |
| Bidding : After midnight (day 3) to 05:00 PM (day 5) ** |

** if there is any bidding going on in the last 5 minutes before the close of e-auction at 5:00 pm, then the time will be extended for those numbers only for 5 minutes duration. This process will continue if there is bidding going on for last 5 minutes up to 5:30 pm (i.e. max. 30 minutes after 5:00 pm).
11. After completion of the Registration process on 3rd day the bidding process will begin on the 4th day and continue on the 5th day. The timing for bidding will be from after midnight (day 3) up to 5.00 pm (day 5).

12. While bidding, the bidder can change the amount of bid by multiples of Rs. 10,000/- for category 1 to 4 only.

13. Result will be system generated, and published for the public on the auction website at HTTPS://transport.delhi.gov.in. The successful bidder will be informed through SMS and email. The successful bidders are required to deposit the balance amount online within five days from the date of declaration of H1. In case the successful bid is of an amount lower than the value deposited by the bidder, then the successful bidder will be refunded the excess amount by the Transport Department, GNCTD.

14. The refund will be made within 60 days. In case doesn’t receive the refund then you can further contact to DTIDCLtd.

15. The allotment letter of the registration mark of choice will be generated online when he deposits the balance amount online. The balance amount means the difference between the successful bid amount and the amount deposited earlier as reserve amount.

16. The validity of allotment letter will be for a period of 90 days for Registration of the vehicle. The successful bidder shall apply for registration of vehicle within 90 days with the designated Zonal Transport Office.

17. If any applicant is found H1 bidder for more than one registration mark of choice, the registration mark corresponding to the highest amount quoted by him will be allotted to him/her for each UAN and in other case(s) 2nd highest bidder shall be declared H1. In case same amount is quoted by two or more bidders, the bidder who has quoted that amount first shall be declared H-1.

18. In case of more than 1 applicant applying at Minimum Reserve Price and where no further incremental bid is made by any of these
applicants, that Registration mark of choice will be allotted by the e auction system through RANDOMselection.

19. If the successful bidder fails to deposit the balance amount within the prescribed time, then the reserve price deposited by him shall beforfeited.

20. If no Registration mark of choice is allocated to the applicant, the Minimum Reserve Price amount will be refunded back to the applicant by Transport DepartmentGNCTD.

21. The reserve price deposited by the unsuccessful bidder will be refunded on completion of formalities.

22. No interest shall be paid by the Transport department on the reserve price deposited by the bidder.

23. User manual for bidding process can be downloaded from e-auction website of transportdepartment.

24. For any queries, please feel free to contact our helpline number at 011-23865600,23865601.

Disclaimer: The Transport Department reserves the right to cancel the Bidding Process or Final Allocation at any stage.

Please Note:

A. Payment is received through multibanking online system of SBI only.
B. After successful bidding, the allotment letter is generated online. No need to visit any office.
C. The refund of unsuccessful bidder will be made within 30 days.
